SIoux EMPIRE

SHORTHORN CLUB

FEMCO PRINCE ROYAL 10th, 1952 Grand Champion bull of 9th Annual Sioux Empire Shorthorn Club Show and Sale. Bred and owned by Femco Farm, Breckenridge, Minn. Purchased by Jack C. Price, Conrad, Montana.

TENTH ANNUAL

Show and Sale

WED., MARCH 25, 1953

SIoux FALLS, S. D.

Introduction

Ten years ago this month, a group of about thirty shorthorn breeders from the great Sioux Empire Area which comprises parts of North and South Dakota, Nebraska, Iowa and Minnesota met at the Sioux Falls Chamber of Commerce to develop ideas to promote the beef shorthorn.

Out of this meeting came the Sioux Empire Shorthorn Club. The history of that club has been one of progress not only in the quantity but more important in the quality of Shorthorn cattle that have been produced and sold through this organization. Although most of the cattle have been sold to stay within an area of 100 miles from Sioux Falls many of them have traveled long distances to their new home. Cattle from this sale have been sent as far West as California, North to the Canadian border, South to Alabama and East to Illinois, Indiana and Ohio. Each year the offering has contained cattle to satisfy purebred breeders as well as ranchers and farmers.

This year's offering will be of even higher quality, many of the sale cattle having been consistent show winners at our leading shows.

Shorthorns are definitely "on the move" as is evidenced by their show winnings. At this year's International Livestock Show the Grand Champion steer over all breeds was a Shorthorn and when slaughtered he showed a higher dressing average than any champion steer in the entire history of the International. Shorthorns also won the championship over all breeds in the short-fed car lot competition.

A cordial invitation to attend this sale is extended to all cattlemen whether owners of purebred herds, ranchers or farmers.

SIOUX EMPIRE SHORTHORN CLUB, INC.
Dr. S. A. Donahoe, President.

BARRAGE VICTORIA - Has produced some outstanding calves for us. One of her calves was Reserve Grand Champion 4-H steer at the Cottonwood County Fair. Her solid red bull calf at foot by Max Begy is a real prospect. His grand-sire was the top selling bull in the Claude Gallinger sale in Canada. Barrage Victoria was bred December 20th to Edellyn Pilot Mercury, a full brother to the \$10,000.00 heifer sold in the last Edellyn sale.

We Challenge Other Breeds To Match Superior Shorthorn Performance at the World's Greatest Livestock Shows

1952 GRAND CHAMPION

Four Out of Past Five grand champion carloads of feeders were **SHORTHORNS** at National Western Stock Show in Denver, world's greatest feeder cattle competition!

1952 GRAND CHAMPIONS

Requiring 1 $\frac{1}{4}$ pounds less corn per pound of gain than all other cattle of another breed in short-fed classes, **SHORTHORNS** were grand champions of 1952 International. They dressed 63.2 per cent with four carcasses grading prime and 11 choice—proving **SHORTHORNS** are tops in both feedlot and packing house!

Half of All Grand Champion Steers at all postwar International Live Stock Shows, world's greatest steer competition—that's the record of **SHORTHORNS!**

1953 GRAND CHAMPIONS

Seven Out of All Eight Chicago Feeder Shows, world's largest feeder competition, saw **SHORTHORNS** as champion yearling steers over all breeds.
